

Local Government Council

Region 2000 Local Government Council's 2012 Legislative Agenda

Approved 10/20/11

- a. Encourage continued state support for intercity passenger rail service operations with a dedicated funding stream.
- b. Request that Governor McDonnell submit a budget amendment to the 2012 session of the General Assembly to restore the \$60 million reduction in aid to localities in FY 13 and FY 14 budgets.
- c. Legislation to allow localities the option to require employees hired before July 1, 2010 to pay the 5% employee share of VRS if the locality also adjusts the employee's salary so there is no negative impact on the employees and if the locality has elected to have employees hired on or after July 1, 2010 to pay the 5% employee share of VRS as well.
