

Sustainable Communities Workshop

Hosted by:
Virginia's Region 2000 Local Government Council & The Virginia Chapter of the American Planning Association

Thursday August 6th 9:30 a.m.— 3:45 p.m.
Bower Center for the Arts ▪ 305 North Bridge Street ▪ Bedford, Virginia

This innovative workshop will feature presentations and panel discussions on best practices and experiences from local communities on issues facing local governments, including water supply planning, historic & open space preservation, broadband connectivity for rural areas, and energy-saving initiatives.

Panelists include:

- Bob Carter, Director, Community Services Division, Virginia Dept. of Historic Resources
- Karen Jackson, Deputy Secretary of Technology for the Commonwealth of Virginia
- Scott Kudlas, Director of Water Supply Resources, Virginia Dept. of Environmental Quality
- Joe Lerch, Director of Environmental Policy, Virginia Municipal League

The workshop will also feature a walking tour of Historic Centertown Bedford, a Virginia Main Street designated commercial district. The tour will be followed by an informal reception.
