Certified Residential Real Estate Appraisers

The Lynchburg Neighborhood Development Foundation will soon contract with the Virginia Department of Housing and Community Development to manage a Neighborhood Stabilization Program in the Lynchburg Virginia community. The Virginia's Region 2000 Local Government Council is assisting LNDF and VDHCD with selected project administration tasks.

LNDF seeks to build a list of qualified appraisers to appraise residential properties that will be bought and sold during this grant. We are still working with VDHCD to determine our process of how appraisers will be contacted and selected. As that information is available qualified appraisers will be notified. We expect to buy and sell at least eleven homes over the twelve to eighteen months of the project.
