

Appendix IV-10 Press Release for the HIRA Presentation

Notice of Public Meeting

A public workshop on the Region 2000 Hazard Mitigation Plan will be held Thursday, March 31, from 7 p.m. to 8 p.m. at the Lynchburg City Hall 2nd Floor Training Room, 900 Church Street. The purpose of the planning effort is to identify projects that potentially reduce or eliminate long term risk to life and property from hazard events, such as flooding. For further information regarding the Region 2000 Hazard Mitigation Plan or the workshop, please contact Bob White, Deputy Director, Region 2000 Regional Commission, at 434.845.3491.
