

TABLE OF CONTENTS

SECTION I – EXECUTIVE SUMMARY

SECTION II – INTRODUCTION

SECTION III – COMMUNITY PROFILE

SECTION IV – PLANNING PROCESS

SECTION V – HAZARD IDENTIFICATION AND RISK ASSESSMENT (HIRA)

SECTION VI – MITIGATION

SECTION VII – IMPLEMENTATION AND PLAN MAINTENANCE

SECTION VIII – REFERENCES

SECTION IX - APPENDICES

List of Appendices

- II-1. Disaster Mitigation Act of 2000 Requirements
- IV-1. VDEM Grant Response Letters
- IV-2. Letters of Intent
- IV-3. Meeting Agendas
- IV-4. Meeting Minutes
- IV-5. Meeting Attendance
- IV-6. Hazard Mitigation Brochure
- IV-7. Letter to Public Regarding Data Gathering Meeting
- IV-8. Spreadsheet of who was invited to the data meeting
- IV-9. Letter to Public Regarding HIRA Presentation
- IV-10. Press Release for the HIRA Presentation
- IV-11. Letter to Neighboring Jurisdictions to comment on the Plan
- IV-12. Public Notices
- IV-13. Council Resolutions
- V-1. Problem Spot Mapping
- V-2. Annualized Flood Damage Maps
- V-3. Timberlake Dam Summary
- V-4. HAZUS-MH Wind Speed Maps
- V-5A. Relative Snow Potential Maps
- V-5B. Relative Ice Potential Maps
- VI-1. Detailed Action Forms
- VI-2. Action Packet
- VI-3. Jurisdictional Action Minutes
- VI-4. Jurisdiction Action Attendance

List of Figures

- III-1. Regional Map
- V-1. Region 2000 RC Boundaries
- V-2. Region 2000 RC Watersheds
- V-3. Region 2000 RC Critical Facility Locations
- V-4. Virginia Average Number of Days with Snowfall >1 inch
- V-5. Region 2000 RC Average Number of Days with Snowfall >1 inch
- V-6. Virginia Hazardous Winter Weather Potential Based on LEQ Precipitation
- V-7. Region 200 RC Hazardous Winter Weather Potential Based on LEQ Precipitation
- V-8. Lynchburg City Steep Slope Locations (>15%)
- V-9. Region 2000 RC Snowfall Relative Risk
- V-10. Region 2000 RC Ice Relative Risk
- V-11. Region 2000 RC FEMA designation Floodplains
- V-12. Example of Flood Loss Estimate Technique
- V-13. Region 2000 RC Flood Losses by Census Block
- V-14. Region 2000 RC Dam Locations and Failure Potential
- V-15. Region 2000 RC Drought Vulnerability
- V-16. Virginia Hurricane Tracks
- V-17. Region 2000 RC Annualized Total Hurricane Loss Estimate
- V-18. Region 2000 RC Tornado Touchdowns
- V-19. Region 2000 RC Wildfire Vulnerability
- V-20. USGS Landslide Susceptibility and Incidence in Virginia
- V-21. Karst Regions in Virginia
- VI-1. Sample Action Form

List of Tables

- IV-1. Steering Committee Members
- IV-2. Jurisdictional Participation
- IV-3. Steering Committee Meetings
- IV-4. Jurisdictional Meetings
- IV-5. Public Input Meetings
- V-1. Region 2000 RC Demographics
- V-2. Region 2000 RC Hazard Ranking Results
- V-3. Region 2000 RC Federal Disasters
- V-4. Region 2000 RC Natural Hazards HIRA Overview
- V-5. Winter Storm Hazard History
- V-6. Lynchburg City Steep Slope Locations (>15%)
- V-7. Region 2000 RC Population Snowfall Relative Risk
- V-8. Region 2000 RC Population Ice Relative Risk
- V-9. Flood Hazard History
- V-10. Region 2000 RC Repetitive Loss Structures
- V-11. Region 2000 RC Structural and Property Data Availability
- V-12. Structure Value Vulnerability
- V-13. Flood Damage Classes
- V-14. Annualized Structure and Contents Loss Estimates
- V-15. Critical Facilities in the Floodplain
- V-16. Regulated Dam Classes
- V-17. Drought Hazard History
- V-18. Drought Severity Classification
- V-19. Region 2000 RC Population Drought Risk
- V-20. Hurricane Hazard History
- V-21. Saffir-Simpson Hurricane Damage Scale
- V-22. Building Stock Exposure by Building Type
- V-23. Building Stock Exposure by General Occupancy
- V-24. Building Stock Loss by Building Type
- V-25. Building Stock Loss by General Occupancy
- V-26. Region 2000 RC Percentage of Annual Hurricane Loss by Critical Facility
- V-27. Tornado Hazard History
- V-28. Fujita Tornado Intensity Scale
- V-29. Virginia Tornado Statistics (1950 -2001)
- V-30. Region 2000 RC Tornado Statistics by Fujita Intensity Scale
- V-31. Wildfire Summary (1995 – 2001)
- V-32. Wildfire Causes (1995 – 2001)
- V-33. Woodland Homes Wildfire Risk
- V-34. Region 2000 RC Critical Facilities Wildfire Vulnerability
- VI-1. Region 2000 RC Mitigation Action Ranking
- VI-2. Local Capability
